

Core and Family Extras

What's Covered

Extras are services usually provided outside of a hospital. Medicare does not generally cover these services, so we help you pay for them.

Receive 60% of the cost back (up to the annual limit and after waiting periods have been served) on:

- ✓ The cost of the consultation
- ✓ The cost of health appliances listed on this policy. Ask nib about specific restrictions and replacements.

Our members have the choice to use any provider with professional qualifications recognised by nib. Please read the Policy Booklet for more information on nib Recognised Providers.
